JURY DISAGREES IN BORLEY-CLARK CASE

Five of the Twelve Were For
Acquittal—Verdict Returned
After Jurors Are Out Several
Hours.

"Agree to Disagree," was the verdict returned by the jury in the Borley-Clark case early Thursday morning. After a long day's trial, which started at nine o'clock in the morning, and lasted until 10 at night, the 12 jurors were given their final instructions by Acting Judge Charles Bingham, and retired to the jury room and reported that they had reached no verdict. As there was no probability of their doing so and owing to the age of some of the jurors, they asked that they be locked for the night, but as there were no rooming facilities at the city hall, the court instructed them to again retire and reach a verdict of acquittal or disagreement. Shortly afterwards, the jury returned their verdict, in a sealed envelope which was given to the bailiff, and which was opened by Judge Bingham at nine o'clock this morning.

PREMONAS' LAST GAME TO BE PLAYED SUNDAY

The last game of the season for the Premonas football team of this city, will be played next Sunday afternoon at the Springbrook gridiron when they will meet the South Bend Silver Edges in the final contest of these two teams. This game will be one of the deciding games of the season in Northern Indiana, as the question of the championship will be settled on the outcome of the contest. The Premonas are confident of winning and on Thursday morning the local press were given a good workout by Coach Burke at the north side. Practice will be held Friday evening and on Sunday morning. The largest crowd of the season is expected at this game, as it is the last of football for the year.

TRUSTEE MEETING.

The last meeting of the Scotch Thistle club, prior to the Andrews day celebration Monday night, will be held in the Hotel Mishawaka this evening, when a large turnout of members is expected. PATRONS ASKED TO DO MAILING EARLY

Christmas Presents Should Be
Mailed Early and Marked
"Not to Be Opened Until
Christmas."

Extraordinary measures are being devised at the postoffice for the prompt dispatch and delivery of mail during the Christmas season. Patrons of Mishawaka office are vitally interested in having parcels delivered on time, and to accomplish this end, those who intend mailing packages to their friends in other cities should wrap them securely, address them plainly and mail them early; the time-liness of gifts depends upon their being delivered on or before Christmas day; early mailing will insure this, whereas the practice of mailing packages late in the hope that they will reach their destination on Christmas day is likely to defeat its own object, through unavoidable delays due to consequent congestion of the mails. Every effort will be made to handle all the mail promptly, and the cooperation of the public is solicited in making these efforts a success. Parcels may bear the words "Not to be opened until Christmas" or a similar inscription. Those desiring to insure their packages may do so by paying extra on those, the value of which is not more than \$25 and 10 cents on the ones the value of which is more than \$25 and less than \$50, the department does not insure for a larger amount. Anyone intending to take advantage of this feature, should call at the office as early as possible, secure as many insurance tags as is necessary for their needs, and have them affixed to the packages before presenting for mailing.

Special care should be given packing of fragile articles, so as to prevent the possibility of breakage. Attention should be called to the fact that the package contains articles of this class, at the time of mailing, so that the parcel may be properly marked to insure careful handling. Perishable articles such as fruit, vegetables, butter, eggs and fresh meat, must be packed in accordance with the regulations made by the department. Information concerning the same may be had by calling at the office.

Should more prompt delivery be desired than is given by ordinary methods, a special delivery stamp may be affixed to the parcel, which will insure immediate delivery upon arrival at destination.

CHURCHES HOLD UNION SERVICE

Rev. A. B. Whitney Delivers
Sermon—Other Churches
Have Thanksgiving Cere-
monies.

Several of the Protestant churches held Thanksgiving union services in the Methodist Memorial church on Thursday evening. The sermon of the occasion was delivered by Rev. A. B. Whitney of the First Baptist church. It was based on Revelation 11:17, his subject being "The Call to Praise."

"The omnipotent God is getting to be said, 'the eternal God reigns, and God's goodness calls not only to repentance but to praise.'"

Further, in outline: It is a good thing to give thanks. The personal worship blending with family reunion and festivity. If Babylon's prime minister, Daniel, could give daily thanks, in face of conspiracy and lions, we may, with nothing to fear. With unchurched, criminals, paupers, diseased, unprotected children, saloons and other evils, we can hardly call this a christian nation. The principles of our flag give every man the right to make the most of self, and enjoy freedom from old world bondage. We could not help being a world power. If on takes grit, grace and gumption to keep peace with our neighbors. The cannons of truth are more potent than the cannons of war, and with the truth we have secured and maintain a proclamation of Mohammedan's holy war. There is worldwide room and need of our Lord's gospel of brotherly love. Our moral power grows out of our contest for principles. Our immigrants shall have another chance to bring out their Kosuths and Husses, their Kosciuszcos and Dantes, their Angelos and Raphaels. Their genius and our republic demands and maintains the best in every man. Give us men, and give men this gospel. The redeemed render thanksgiving. Their voice is of heaven; but praise must begin here. Our life awaits Christ's promise of "Well done."

Special services were also held on Thursday morning at the English Lutheran church, the sermon being delivered by Rev. Engers.
